for Reconsideration**

By letter of August 12, 1998 the petitioner requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to petition number TA-W-34,563. The denial notice was signed on July 17, 1998 and published in the **Federal Register** on August 7, 1998 (63 FR 42434).

**Conclusion**

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC this 25th day of August 1998.
